

Practical Aspects of ODS & Modal Analysis

A Training Course Presented by 4X Diagnostics

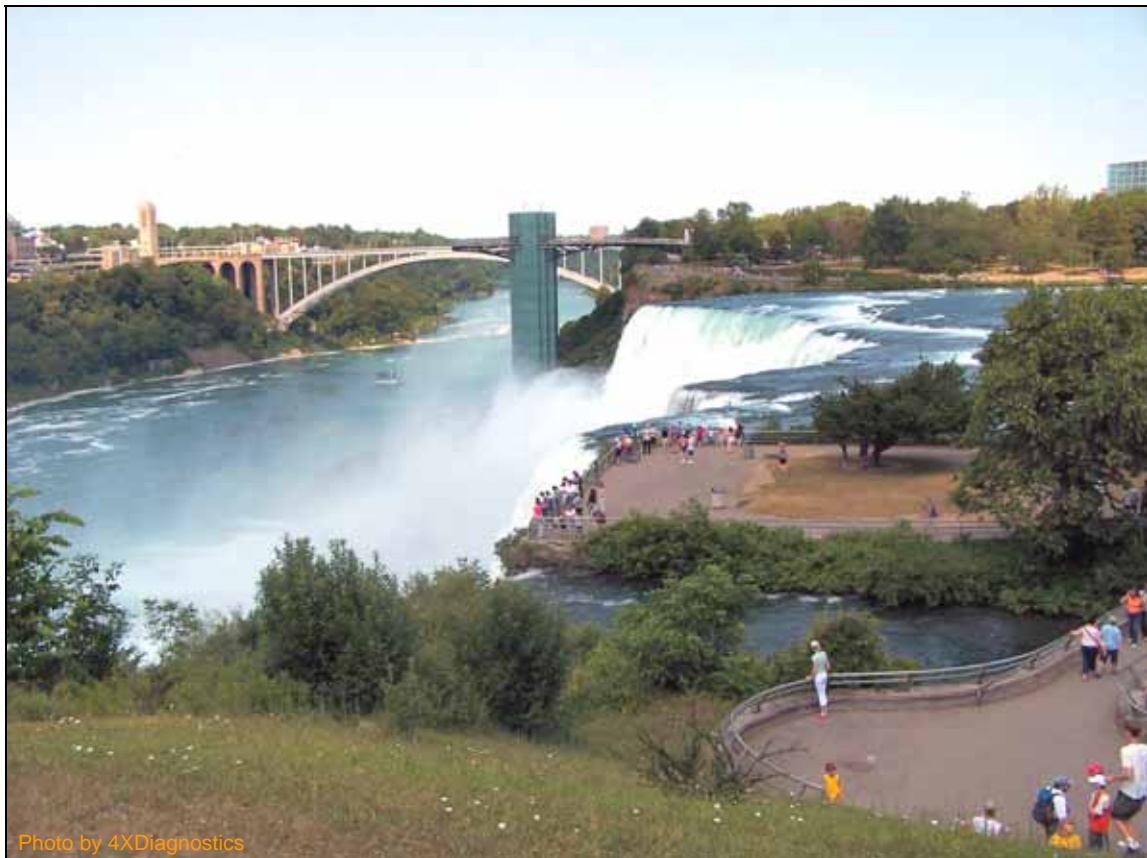

at The Conference Center Niagara Falls

April 23-27 and September 17-21, 2012

The Conference Center Niagara Falls is a top-caliber meeting facility exceeding the highest criteria set by the International Association of Convention Centers (IACC). 4X Diagnostics is proud to provide our training in such a technologically advanced facility. More information about CCNF is here:

www.conferencecenterniagarafalls.com/

The main entrance to the Conference Center Niagara Falls (CCNF) is on Old Falls Street (cobblestone walkway off of Third Street on the left side). It is directly across from the Seneca Niagara Casino and 700 feet from Niagara Falls State Park.

Class Times

8:30 a.m. to 5 p.m. (Monday – Thursday).

8:30 a.m. to Noon on Friday.

Class Details

- Continental Breakfast will be served daily starting at 7:30 a.m.
- Lunch is provided daily during class days. Lunch is not provided on Friday.
- Morning and afternoon refreshments are provided daily during class days.
- PLEASE ADVISE ASAP IF DUE TO HEALTH PROBLEMS YOU HAVE SPECIAL DIETARY RESTRICTIONS.
- Wireless Internet access is available throughout the day in the training facility.
- Parking: All hotels have their own parking for guests. If you are driving to the convention Center, parking is available south of the Convention Center on Third Street on the west side of the street (100 yards north of Rainbow St). The public parking lot has a payment kiosk. The parking lot location is marked on the enclosed map.
- The classroom will be locked during lunch and after class. Anything you bring to class will be safe in the classroom during the day. We recommend that you do not leave your laptop or other electronic equipment in the room overnight. 4x Diagnostics is not responsible for lost or stolen property.

Class Computers

Laptop computers with ME'scope software will be provided to each class participant. You may bring and use your own laptop to class. If you own ME'scope software and it's installed on your laptop, you can use it during the class (don't forget to bring your ME'scope security key). If you don't own ME'scope software, we can install it on your laptop to use during class.

Signal Analyzers

During the course, the measurement techniques required for ODS and Modal measurements are discussed and illustrated. Step by step measurement procedures may be available for your analyzer brand. You are welcome to bring your portable analyzer to class. It is not a requirement but if time allows, we can discuss your analyzer operation with you.

FLYING INTO BUFFALO, NY

If your travel plan includes airfare, you must fly into the Greater Buffalo International Airport (BUF). The Conference Center Niagara Falls is 24 miles from the airport. You may want to rent a car at the airport. Taxi fare is about \$70 from the airport to the Conference Center.

ACCOMODATIONS

The Sheraton At The Falls Hotel, Niagara Falls, NY is right next door to the Conference Center. The Seneca Niagara Casino Hotel is right across the street and the Holiday Inn is down the street a short .15 miles away. For something different, try The Giacomo – the premiere luxury boutique hotel in Niagara Falls. Other hotel suggestions are listed on the map on page 6.

NIAGARA FALLS, NY AREA

Niagara Falls is America's oldest State Park. The Conference Center Niagara Falls is within walking distance of Niagara Falls and the USA/Canadian Border. Crossing the US/Canadian border requires specific documentation that must be provided to border agents. For information about required documentation for crossing the border go to www.travel.state.gov then click on the left side of page (Travel to Canada, Mexico...).
